Docket 92-237  
1919 M Street, N.W.  
Washington, D.C. 20554

Dear Sir or Madam:

We are against the proposal to change the area codes and eliminate "1" for toll calls.

Please require carriers to keep one-plus dialing for all toll calls, but drop it from all calls made locally.

Thank you for your attention in this matter.

Very truly yours,

SEATEK CO., INC.
